</table>

### HATS

A reminder that the wearing of hats is now compulsory from September. Children who are not wearing the broad-brimmed or bucket hat as designated in the Dress and Appearance Policy will be asked to sit in a special shaded area.

### GRADE 2 SLEEPOVER

The Grade 2 sleepover will be held at Inverloch on 15th September. Please remember to return your permission notice, medical form and payment to school asap.

### GRADE 1 EXCURSION

Our Grade 1 students will be going to the Wonthaggi State Coal Mine next Friday 9th September with the Grade 1 children from Inverloch. Permission notices will be sent home asap.

### MORNING TEA & SCIENCE DISPLAY

On Wednesday 14th September our senior students will be displaying their science project work from this term. All work will be set up for viewing throughout the day with students available for questions from 10.00am until recess. We invite parents to attend to view the displays and to interact with the exhibits. We will also be having a morning tea for parents and students. Can each family please bring along a plate of morning tea to share.

### FANTASTIC RACERS

On Monday our Grade 6 children will be going to the Wonthaggi Secondary College Fantastic Race Day. Can children please be dropped off at Inverloch Primary School by 9am to catch the bus to Wonthaggi with the Inverloch children.

### FANTASTIC BOATS

On Monday the Grade 5 children from Inverloch will be joining us at Kongwak for the Grade 5 Fantastic Boats day.

### IMPORTANT-CAR PARK SAFETY

When dropping off and collecting your child / children in the Inverloch Road car park, please park your car at a right angle to the oval and ensure that your child walks along the path under the oak tree. Please meet them at the path at the end of the day to go to the car. Children will not be allowed to enter or leave via the little gate at the basketball court for safety reasons. If parents would like to chat together (which we are certainly happy for you to do) can you please do so inside the school grounds where you can keep an eye on your children. Children are not to enter the car park without an adult.

### YEAR 6 PHOTOGRAPHS

Year six students have been asked to supply a photo of themselves from each of their school years for their graduation banners. All photos will be scanned and returned as soon as possible. If families are not able to locate school photos then a photo of your child at that year level will be fine. We do have some of the Kongwak school photos on disk at school which are available. Please let Gab know if you would like these photos to be accessed and used for the graduation banner. Many thanks.

### ENVIRONMENTAL SCIENCE

Rosie & Peter from Landcare will be at school on Monday for our next Environmental Science session. This session will focus on “mini beasts”.

### PFA NEWS

The profit from our hot dog day this week was $134.45.
Tuesday was a great day. The school saw Alison Lester at San Remo. Alison talked to us about her life. We got to buy Alison Lester books. Riley got My Dog Bigsy, Tahlia got The Quicksand Pony and Lucas got Imagine. We saw the pelicans. My favourite part was getting My Dog Bigsy.

By Riley Matthews
DIRECTIONS TO LARDNER PARK WHEN TRAVELLING FROM MELBOURNE
- Proceed along the Princes Freeway towards Warragul. Turn off the freeway at the first Warragul exit. (This exit is clearly marked WARRAGUL and LARDNER PARK/ This takes you onto the Princes Highway towards Warragul.
- Take the next turn on the right at the traffic lights and cross over the railway line into Lardner Track (signage is posted). LARDNER PARK. Continue on Lardner Track for 7 kms.
- Turn right at the Lardner Hall (the hall is on your left). LARDNER PARK is less than a kilometre along Burnt Stone Rd. Garden Expo signs will be on each corner to guide you.

DIRECTIONS TO LARDNER PARK WHEN TRAVELLING FROM MORO:
- Proceed along the Princes Freeway towards Warragul. Turn off the freeway at the Warragul Hospital.
- Travel along Lembabrough Road along the front of the hospital. Continue until you come to 2 intersections.
- Turn left into Lembabrough and continue for 4 kms.
- Turn right at the Lardner Hall (the hall is on your left). LARDNER PARK is less than a kilometre along Burnt Stone Rd. Garden Expo signs will be on each corner to guide you.

We travel to the Melbourne Market in Epping to source the freshest produce to pack into our boxes and deliver direct to your door.

We have two size boxes available:

- $39 (average family)
- $65 (large family)

Each box contains approx 20 items consisting of approx 13 standard staples and the rest is made up of seasonal produce.

We deliver to:
Phillip Island, San Remo, Granville on Tuesdays
Daylston, Wonthaggi, Cape Patterson, Inverloch, Leongatha and Korumburra on Wednesdays.

If you would like to give us a try contact:
Matt/Sandra 0415986472
or find us on Facebook search for Smithys Freshfix.

KONGWAK FILM & FOOD EVENING

A joyful film about connecting to the land and the community.
Produced over 4 years it follows the Salatin’s, a 4th generation farming family who use the symbiotic relationships of animals and their natural functions to produce high quality, nutrient-dense products.

How will we make a change?

Proudly supported by the Agricultural Climate Adaptation Project Southern Gippsland and
We are SunSmart - a note for families

Too much UV can cause sunburn, skin and eye damage and skin cancer. Overexposure to UV during childhood and adolescence is a major factor for future skin cancer risk.

You can't see or feel the sun's UV so don't be fooled. Whatever the weather, if the UV levels are three or more, it's important to Slip, Slop, Slap, Seek and Slide!

Our school aims to protect children and staff from too much UV to help minimise future skin cancer risk. We are a registered member of the Cancer Council Victoria's SunSmart Program. Please help support our SunSmart membership by ensuring your child follows the SunSmart measures included in our policy.

During the daily local sun protection times (issued whenever UV levels are three and above), use these 5 SunSmart steps – even if it's cool and cloudy.

1. Slip on a shirt - for free dress days, ensure your child wears clothing that covers as much skin as possible (e.g. elbow length tops with a higher neckline or collar and longer style shorts or skirts). Densely woven fabrics are best.

2. Slop on SPF 30 (or higher) broad-spectrum, water-resistant sunscreen – apply a generous amount of sunscreen at the start of the day and make sure children have sunscreen in their bag ready to be reapplied throughout the day. Please ensure they get plenty of sunscreen application practice at home so they'll be all set when they are at school.

3. Slap on a hat – one that protects the face, neck and ears such as a broad brimmed, legionnaire or bucket style hat. Peak caps do not offer enough protection and are not recommended by SunSmart. Please help your child remember to bring and wear their approved hat.

4. Seek shade – choose shady spots for play whenever possible.

5. Slide on some sunglasses - if practical and approved by the school. Make sure they are labelled AS 1067 and cover as much of the eye area as possible.

Sun protection times

Don't just wait for hot and sunny days to use sun protection. Check the sun protection times each day so your family can be protected when they need to be.

Daily local sun protection times and weather details are available from the SunSmart widget on our school website, in the weather section of the newspaper, on the SunSmart website at sunsmart.com.au and as a free SunSmart app. Sun protection times can also be found at the Bureau of Meteorology website and live UV levels are available from ARPANSA.
