20th   Inverloch School Council
24th   End of Term 2.30pm Finish

Notes sent home:
Prep Excursion Note; Gr. 3/4 Health Education Letters x 2;

Cross Country
Congratulations to all of the children who competed in the Cross Country at Stony Creek yesterday. We had some great results with the following students going through to the next level at Lardner Park on the 16th of June. Jak Spinks, Ashton Hewitson, Baylee Silvester, Jayla Morcom and Charli Igoe.

World Environment Day
Is this Sunday June 5th. Thanks to our Environmental Captains Sam and Allannah who brought this to our attention at assembly this morning and showed an interesting Youtube clip on work to protect Rhinos in Africa.

Congratulations
Last week I congratulated Joe and Asha on their efforts in the selection trials for netball and football. We also need to congratulate Baylee Silvester for making it through several levels of football trials and Ben Clements who has made it through to State level in tennis. Well done to you both!

William St
Following a letter to School Council we are following up with VicRoads on signage for William St. The Star newspaper is also running a story on the speed limits near the Murray St entrance. We will keep you informed as to progress.

Parking
Please, please, please remember that Murray St is not a car parking drop off and pick-up zone. The street is too narrow for cars to come and go and pass each other, and it makes it unsafe for our students who walk to school using that entrance. The Recreation Reserve is the safest place to park for drop-off and pick-up. Please remember to keep to the left when driving around the reserve area.

Hands at the Learning Stone on Indigenous Studies Day
**Parentlink**
A special thank-you to our Parentlink parents Bree and Melissa for organising a Grade 1/2 family get-together last Friday afternoon. Thanks to all the families who attended! Our Parentlink volunteers are here to support all our parents and one way of doing this is by organising social opportunities for our families to get together to get to know each other. Thanks again to our Parentlink volunteers for creating these opportunities.

**BBQ Market Update**

April and May

Thank you to all the families who help on the Egg and Bacon Stall at the Farmers’ Markets and at Mitre10; Baud, Friswell, Jones, Berry, Rhodes, McCrimmon, Guillespie, Liefing, Sim, Petracca, Croatto, Selena and Astrid, Peterson, Carr and Barton families.

We cannot do it without our volunteers.

We are short of helpers for the June and July markets, if anyone is available for a couple of hours. We need 1 person for 19th June. We are covered for the 26th.

The markets are held on the 3rd and last Sunday of each month.

We also wish to acknowledge the support of the Regional Farmers’ Market, Inverloch Community Market (Lions), Slice of Paradise Bakery, Paul The Pieman Bakery, Inverloch Quality Meats, Inverloch Gas & Hire.

If you would like to help at any of the markets please, contact Michelle Sim on 0434 877 215

**TIGERS VS GOLD COAST SUNS AFL OPPORTUNITY**

If you are interested in seeing the above game at the MCG Sunday June 12 at 3.20pm there are several free tickets available - please contact Steve (Big K) on 0408 281953.

**SCHOOL MOWING**

If you would like to help out at school but you are not available in school hours maybe helping with school mowing would be just the thing for you. We mow the front of the school and the nature strip in Edgar Street (in front of the veggie garden). School has a mower if that makes it easier and you can choose a month that suits you and mow any day within that month (some months the lawns might need to be mowed twice within the month depending on seasonal growth). If you can help please let the office know.

‘OURSUNSET,
MYWORLD’

Victoria-Wide Exhibition of Student Art
Federation Square July 23rd 2016

Dear Parents...

We are so excited that your child’s school is participating in this very special Event. Let me share with you about this Exhibition and why it is such a special one. This is the first ever public ‘Exhibition of Victorian Schools Art’ for students from primary and secondary schools to be held at FEDERATION SQUARE. We will be using both the Atrium and The Edge Gallery. The Exhibition will form part of the Cambodia Australia New Zealand Friendship Festival. We are delighted to be working with this group with the shared vision to make a huge difference to Cambodia through Education (our Exhibition) and exploring opportunities for Trade and Tourism (the Festival).

The Exhibition now has over 100 schools participating. Your student’s artwork is a gift to the children of Cambodia. All the student artwork will be silently auctioned on Saturday July 23rd at Federation Square. There will also be a LIVE AUCTION of a selection of paintings by the children from ODA and amazing photos from a student saved from the streets of Phnom Penh through FLAME CAMBODIA/Bong Paoun.

The theme of the Exhibition, ‘Our Sunset, My World’, is to inspire our children to appreciate and value the rich diversity of their world appreciating how ‘lucky’ and blessed they are to live in a country like Australia. The Exhibition will have the dual purpose of highlighting our children’s art while raising awareness and funds for disadvantaged children in Cambodia, providing them with much needed opportunities for education and a future. We will be supporting two remarkable organizations: ODA (Opportunities for Development Thru Art) in Siem Reap and FLAME CAMBODIA/formerly known as the Bong Pouan Project in Phnom Penh.
To read more see our Facebook page https://www.facebook.com/haveaheartforcambodia.

There is NO charge to enter artwork or attend the Exhibition. The Exhibition will be open from 10.00am on SATURDAY JULY 23 2016. We will have an Official Opening at 3.00pm featuring performances and the LIVE Auctions. Please support your school and this Event, raising funds for the disadvantaged children of Cambodia by joining us at Federation Square on SATURDAY JULY 23rd.

Kind regards

Julie
Director, Have a Heart for Cambodia

Lach

"Artist of the week" in the school. Our artist of the week this week is Lachlan Kelly in grade one with his mixed media piece about the diversity of Australian fauna. Lachlan spent two days at home making this piece, incorporating hand made stencil, collage, pencil and markers.

BIKE IN OUR BIKESHED...

There has been a red and black Trek bike in our bike shed for a number of days now. If you own this bike please collect it and take it home. (you will need to bring a pump, the tyres are flat). Similar to this one only black and red.

BOOK CLUB

Thank you for your continued support of Book Club and thank you Janelle for all of the work you do for us with Book Club. We would just like to remind you that all orders should be done online. We realise that not everyone has credit card facilities so we will process the orders in that case. Please check your child’s order before they lodge it. We are finding some orders have incorrect cash and others are hard to decipher what the actual order is.
An Opportunity!
We have been offered the opportunity to have a motivational speaker, Rob Edwards, come to Inverloch to share his message with us. Rob speaks on health and well-being but also supports a charity to put solar panels into schools in Fiji to help them become energy self-sufficient. Rob will speak to our students about his charity on June 6th, but we have organised for him to speak to the community on Monday evening June 6th. We are hoping that parents, children and friends will come together at The Hub from 6.30 - 8.15 to hear him speak. Our PFA will provide refreshments. This event is being run in conjunction with the South Gippsland Conservation Society.

The Inverloch Primary School and the South Gippsland Conservation Society supported by Bass Coast Shire Council are asking for your help to

**Bring Solar Power to Remote Island Schools in Fiji**

Share an evening with Rob Edwards the founder of the ‘Its Time Foundation’

Rob is a compelling professional presenter. You will hear:

- His ‘It’s All about You’ message of personal wellbeing [www.robedwards.com](http://www.robedwards.com)
- How solar in remote schools is changing education and prospects for kids. [www.iltimel.org](http://www.iltimel.org)
- What the 300kph Cyclone Winston did to solar installations and Fiji.
- How Rob and fellow activists banished coal seam gas exploration from the Water Catchments of Sydney.

**It’s All About You**

It’s a brief time-out to look after your most important assets, you and your loved ones. There’s much more to it than health and wellbeing. It’s about getting all the small but important stuff happening in our lives. The stuff that really matters. And it’s a ton of fun.
