A reminder that next Wednesday 14th September our senior students will be displaying their science project work from this term. All work will be set up for viewing throughout the day with students available for questions from 10.00am until recess. We invite parents to attend to view the displays and to interact with the exhibits. We will also be having a morning tea for parents and students. Can each family please bring along a plate of morning tea to share.

YEAR 6 PHOTOGRAPHS
Year six students have been asked to supply a photo of themselves from each of their school years for their graduation banners. All photos will be scanned and returned as soon as possible. If families are not able to locate school photos then a photo of your child at that year level will be fine. We do have some of the Kongwak school photos on disk at school which are available. Please let Gab know if you would like these photos to be accessed and used for the graduation banner. Many thanks.

There is presently a need for Foster Carers in your local area!

What is a Foster Carer?
Foster Care or 'Home Based Care' is a program to provide a child or young person with a safe and stable home environment while they are unable to live in their current place of residence.

A child can come into care for various reasons that include: family conflict and breakdown, serious illness or death of a parent or guardian, sexual or physical abuse, financial, employment or housing difficulties.

Did you know...
Foster Care is not 'One size fits all'. SalvoCare Eastern offers different types of Foster Care to suit the carers and the children and young people that come into our care.

**Emergency** – This could come at any time of day or night.

**Respite** – Provides an opportunity for carers to have a well-deserved break.

**Short Term** – Provides care for children for up to 6 months.

**Long Term** – Provides care for children who are unable to return home within 6 months.

You will never be alone in your journey as a SalvoCare Foster Carer.
