Missing Bikes
Unfortunately over the week-end we had 3 bikes taken from the bike shed. One was a Giant brand boys bike that was black, red and white, one was a blue BMX Nitro and the other was a bright red 24 inch Avanti Shadow bike. If you find these bikes anywhere around please contact us at school. The owners are understandably very upset at their disappearance.

Year 3/4 Health Ed
I would like to thank all those parents who came to see me to express their views and/or concerns in regards to the Year 3/4 Health Education program. It was unfortunate, and again I apologise, that a letter was not sent out prior to the first session. I really appreciate the parents who took the time to come in and discuss what they had heard, (and there were some terrible rumours about the content), so they could make an informed judgement about what was on offer for their child. Sue, from Family Planning Victoria, who is training our staff has been very impressed with our students and their thoughtful and mature handling of the content.

Parking
Once again could I remind you that parents are not to drive into Murray St to drop-off and pick-up their children. This small area does not allow enough room for moving car traffic and pedestrians before and after school. It would be awful if there was an accident involving one of our students. If you need to use your car to drop-off or pick-up students please park in the Recreation Reserve or on the western side of William St. Thank-you.
Parentlink

The 3/4 kids matter parent link team would like to invite any 3/4 parent/carers to come and meet other 3/4 parents/carers from 10am-11am on Tuesday the 14th of June at the RACV zenith lounge. This will be a good opportunity to get together and meet other parents. Please rsvp parent link representative Gabriella Sullivan 0459299020

Band Concert

Last Tuesday evening our Diana’s band and Jane’s piano students held a concert in the stadium. Although it was a freezing cold night the students enjoyed showing off their amazing talents. They are going from strength to strength in their ability to play their instrument of choice, and those in the band are working hard together to produce different melodic pieces. Thank you to Diana for putting the concert together and to all the wonderful parents and friends who lent their support on the night.
Preps visit to Bunurong Environment Centre

On Wednesday it was World Ocean Day and the very excited Preps headed off on our first excursion. We visited the Bunurong Environment Centre and Shell Museum. We learnt about the different shells and animals that are found around our coast, about some of the dinosaur fossils that have been found and some ways that we can help our oceans stay healthy. After some fruit at Rainbow Park we headed back to school.

Parents, family and carers of children who have an Autism Spectrum Disorder (autism, aspergers syndrome, pdd-nos etc) are warmly invited to attend the following meeting of the Inverloch & District ASD Support Group

Our support group meets on the first Wednesday of the month during school term

Time: 10.30am - 12.30pm
3 Aug, 7 Sept, 5 Oct, 2 Nov & 7 Dec

Where: Inverloch Hub – large meeting room that opens out to the playground. 16 A’Beckett Street Inverloch
Tea & Coffee provided at no cost

All welcome to join us for a cuppa and a chat while the kids can play in the playground
We provide support, information sharing and social get-togethers. We also carry some information on services in the local area.

"Artist of the week" in the school. Our artist of the week is Riley Harris in Grade 2 with his printmaking of a Picasso style portrait using an etching technique. Riley created all prints here at school during his art class.

BOOK CLUB
Thank you for your continued support of Book Club and thank you Janelle for all of the work you do for us with Book Club. We would just like to remind you that all orders should be done online. We realise that not everyone has credit card facilities so we will process the orders in that case. Please check your child’s order before they lodge it. We are finding some orders have incorrect cash and others are hard to decipher what the actual order is.

TIGERS VS GOLD COAST SUNS AFL OPPORTUNITY
If you are interested in seeing the above game at the MCG Sunday June 12 at 3.20pm there are several free tickets available - please contact Steve (Big K) on 0408 281953.

SCHOOL MOWING
If you would like to help out at school but you are not available in school hours maybe helping with school mowing would be just the thing for you. We mow the front of the school and the nature strip in Edgar Street (in front of the veggie garden). School has a mower if that makes it easier and you can choose a month that suits you and mow any day within that month (some months the lawns might need to be mowed twice within the month depending on seasonal growth). If you can help please let the office know.

Yesterday, 58 Inverloch/Kongwak students, Mr Boyd, Mrs Peterson and Mr Rankin headed to Leongatha to compete in the South Gippsland Lightning Premiership. We entered a football, soccer, girl’s netball and mixed netball side. Luckily the weather held off and we were able to play in light winds and sunshine. Overall the day was a success and we came back to school with two shields and some muddy legs. Congratulations to the mixed netball side who defeated Prom Coast in the grand final and the soccer team who defeated Mirboo North 1-0 in the grand final. Our other two teams fought hard all day and both came away with one each. A special thankyou to John Muir, Clare Peterson, Kathy Lagoudis and Ashlee Cuff for coaching our teams on the day. Thankyou also to the parents, grandparents and friends for umpiring, scoring and supporting our teams. Information regarding the next round will be handed out to students next week.
