CONGRATULATIONS OSCAR & JAMIESON
Congratulations to Oscar Gibson Goldsmith & Jamieson Schmidt who have both been accepted in the Select Entry Accelerated Learning (SEAL) program at Wonthaggi Secondary College next year.

YEAR 6 PHOTOS
Year six students have been asked to supply a photo of themselves from each of their school years for their graduation banners. All photos will be scanned and returned as soon as possible. If families are not able to locate school photos then a photo of your child at that year level will be fine. We do have some of the Kongwak school photos on disk at school which are available. Please let Gab know if you would like these photos to be accessed and used for the graduation banner. Many thanks.

REMINDER
WORKING BEE & SAUSAGE SIZZLE
We will be having a working bee at school TOMORROW Saturday 17th September at 12.30pm, with a sausage sizzle in the park. Sausages and bread provided. Jobs that need to be done include;
- Painting of corridor doors
- Removal of bricks
- School sign posts
- Totem poles and tiles to be fixed
- Add discs to tree
- Fridge removal from junior room
- Sun Smart sign to be put up
- Shade sails need attention
- General tidy up of garden

Please bring along any tools / equipment that may assist in the completion of these jobs. Thank you!

ENJOY THE HOLIDAYS!!!
We wish everyone a safe and relaxing break and look forward to seeing you all back at school on Monday 3rd October for the start of Term 4.
Our Grade 1’s at The State Coal Mine

On Friday the Grade 1’s went to the State Coal Mine in Wonthaggi. We went underground. We came up by a train. We saw the pit pony Cobber. We watched a movie. We saw Isla’s great pop’s medal. He worked at Kirrak Mine. It was a great day. By Riley Matthews.
On the Mondays this term we have been doing environmental science. We collected bugs around the chook pen and we got spiders. We got the pictures of the spiders and put it on the computer and traced them on pieces of canvas. We painted the spiders. It took about 2 or 3 weeks. On a different week Peter the science teacher said he got bugs out of his dam and he put them in a bucket for us to fish them out into ice cube containers. This Monday we went for a walk up the Kongwak Pioneer Reserve and learned about lyrebirds and how they can copy nearly every word! We learned a story about Captain Cook. By Isla Mclean
Science Expo
Gippsland Bulls Hockey Club
Southern Stars

Come-n-try hockey at Wonthaggi Secondary College in the school holidays

- For bookings or more information please call: 56582121

Week 1 Program of Activities

Monday 19th September: Things that squish
Morning Session: Discover the fun with sensory play. Use your imagination to create a creature from clay, make silly putty or play dough adding glitter or colouring to take home.
Afternoon Session: We enjoy that squishy feeling of making slime; make it your own by adding glow in the dark colour.

Tuesday 20th September: Balloon twisting and cooking
Morning Session: Excursion to Korumburra: Discover the fun of balloon twisting with Luke and Kim. Local artists teach us how to create 3D things using balloons.
Afternoon Session: Design your own chef's hat before cooking a yummy afternoon tea snack.
(Pancakes with jam or maple syrup)

Wednesday 21st September: Movie and McIndoe Park
Excursion Day: The Secret Life of Pets (G) Children enjoy bus ride to Leongatha to watch "The Secret Life of Pets" at the Leongatha Stadium 4 Cinema. Children enjoy lunch in the park then spend time exploring the playground before coming back to Korumburra.
Cost is $20 per Child. Numbers are limited to 20 Children.

Thursday 22nd September: World of Wheels and Croft
Morning Session: Children use their knowledge to follow through our world of wheels track. Children are to bring their bikes, scooters or skatesboards to manoeuvre around our track. Helmets must be worn to participate.

Friday 23rd September: Coleman Park BBQ and Splash about
Excursion Day: Children will walk to Coleman Park, enjoy playing on the play ground before sharing a delicious BBQ lunch and traditional prawn games. 3 Legged race, sack race, egg and spoon...etc. Then head to the heated pool for a relaxing splash around with pool games (noodle racing, collect the balls and sink toys off the bottom) and free time.

FREE!

There is presently a need for Foster Carers in your local area!

What is a Foster Carer?
Foster care or ‘Home Based Care’ is a program to provide a child or young person with a safe and stable home environment while they are unable to live in their current place of residence.

A child can come into care for various reasons that include family conflict and breakdown serious illness or death of a parent or guardians, sexual or physical abuse, financial, employment or housing difficulties.

Foster Care is not ‘One size fits all’. SalvoCare Eastern offers different types of Foster Care to suit the carers and the children and young people that come into our care.

- **Emergency** - This could come at any time of day or night.
- **Respite** - Provides an opportunity for carers to have a well deserved break.
- **Short Term** - Provides care for children for up to 6 months.
- **Long Term** - Provides care for children who are unable to return home within 6 months.

Did you know...

You will never be alone in your journey as a
SalvoCare Foster Carer.

**The Secret Life of Pets**

You are invited to a fun, sensory friendly movie screening.
When: Saturday 1 October at 10.00 am
Cost: $10

The lights will be on, the sound will be lowered, and you are free to move around and make noise in the cinema.

If anyone needs a break, why not pop out to one of the calm zones for a few minutes? No need to worry about keeping the kids quiet and still. This film is for the whole family to enjoy in a comfortable, sensory friendly environment.

Access for people of all abilities is available near the front of the auditorium. A hearing loop is available in rows D, E and F.

Bring the whole family, this is one movie you won’t want to miss!
