Reports
Next week your child/ren’s semester 1 reports will be available on Compass. If you cannot access Compass or a printer please let us know at school and we can run off a hard copy for you. If you have misplaced or forgotten your Compass password please let us know and we will reset it for you. A reminder that there will be no Music report included this semester. As we move to the new Victorian Curriculum many of our General Studies subject such as History, Geography, Economics and Civics and Citizenship will be taught only once every two years from Years 3-6. This means that the students will be exposed to all that is expected to be taught and learnt over one term once in Years 3/4, and once in Years 5/6. The curriculum states that there is an expected level of achievement for the end of Year 4 and Year 6. This semester the Year 3/4 students have studied History and so they will be assessed as having achieved what is expected by the end of level 4. This will mean that many students will achieve an “A” or “B” in this subject area. The same applies to our Year 5/6 students who have been assessed in Geography. They have completed all that is required by the end of Year 6 so they will be marked accordingly. If you have any questions or concerns in regards to your child/ren’s report please make an appointment through the office with the teacher concerned.

Thank you
A huge thank you to those who attended the Rob Edwards talk at The Hub last Monday evening. Thanks particularly to Ed Thexton for organising Rob and rallying support, and to our PFA for the lovely food they provided. Rob had a funny but very significant health message for us all, some tips for organising groups into action and a presentation which he also showed our students about the work he is doing putting solar panels into schools in Fiji. Rob was delighted that over $1500 was raised during the evening for his work in Fiji. If you would like to add your support you can visit his web-site at itime.org. The home page is not working but all the other links are.

Teacher Changes
A new Acting Assistant Principal has now been appointed to fill Ms Penrose’s role while she is at Toora. I would like to welcome Mr Nigel Kilpatrick to our school. Nigel comes to us from Korumburra Primary School. He has had considerable experience in Acting Assistant Principal and Acting Principal roles during his many years of teaching.

Mrs King leaves us at the end of term to begin a new phase of life as she and her husband look forward to welcoming their new baby, due next term. Ms Jodie Walters will join the Prep team and teach in Prep K.

Mr Boyd is taking all of term 3 off on long service leave and his replacement will be Mr Greg Eddy. We welcome Greg to Inverloch Primary School. Greg has recently moved to Inverloch and has had many years of teaching experience both here and overseas.

Ms Bull and her family are also heading off on long service leave next term. Mrs Mel McRae will teach our 1D class, and we welcome back Mrs Kate Eldred (Harding) who will teach in 1D on Thursdays.

With Ms Walters heading off to Preps, and Mrs McRae in 1D we welcome back Mrs Elisha Redpath (Riseley) who will be in 1B on Wednesdays and 5/6E on Thursdays. Mrs Castillo will be working in 2N on Mondays.

School Crossing
I know we have had some very wet and cold weather but please watch out for Judy on the school crossing. It appears that poor weather makes people forget that there is a 40km speed limit on Bayview Avenue at the beginning and end of the school day and Judy has had some very close calls with drivers going too fast through the crossing in recent weeks. PLEASE take care when driving around the school area at any time.
Unfortunately we have had another reported case of Slap Cheek.
What are the symptoms?
Most cases experience no symptoms at all. In children the infection causes a mild illness with little or no fever but a striking redness of the cheeks (hence ‘slapped cheek disease’). This may be accompanied by a lacy looking rash that fades within a week but can re-occur over several weeks on exposure to heat or sunlight. Adults often do not have a rash but may have cold-type symptoms and sometimes painful or swollen joints over two to three days. Washing hands before eating or touching your face can help prevent infection.
Can my child attend day care or school?
Our local medical centre doctors have recommended that children with the symptoms should be kept at home for several days from the appearance of the rash to try and stop the spread of this infection.

Missing Bikes
Unfortunately over the week-end we had bikes taken from the bike shed. One was a blue BMX Nitro and the other was a bright red 24 inch Avanti Shadow bike. If you find these bikes anywhere around please contact us at school. The owners are understandably very upset at their disappearance.

A big thank you to Nicole and Blair for finding Lenny’s bike. Well done!

Winter Sports
For the past 5 weeks our years 5 and 6 students have been enjoying the Winter Sports Program. Each Friday afternoon the students have been participating in a variety of sports including volleyball, soccer, football, netball, basketball, indoor cricket and t-ball,. Inverloch/Kongwak Primary School students played against Mirboo North P.S, Leongatha P.S, Combined Registered Schools, Korumburra P.S and Foster P.S. All students showed great sportsmanship and support for their peers and should be very proud of themselves. Thank you to the parents/carers who gave up their time to help during the Winter Sports.
"Artist of the week" in the school. Our artist of the week is Sam Horskins in Prep with his fabulously colourful leaf prints collaged onto canvases. Sam created these compositions at home after learning about leaf printing during Autumn in art.

**REGIONAL CROSS COUNTRY**

Congratulations to Jak Spinks, Jayla Morcom, Charli Igoe, Ashton Hewitson and Baylee Silvester who competed in the Regional Cross Country at Lardner on Thursday. All students did their very best with both Jak Spinks and Jayla Morcom going through to compete in the State Cross Country at Bundoora. Well done!

**LUNCH ORDERS**

There will be no lunch orders the last week of term, 22nd to 24th June.
Sushi is still available to order on Monday 20th June.

**UNIFORM**

A reminder that hooded wind-cheaters are not a part of our school uniform. Please do not dress your child in hoodies for school.
Thank You

**RIDING TO SCHOOL**

It is great to see children riding to school regardless of the wet weather. It would be a good idea if they could bring a plastic bag on wet days to put over their bike seats and put helmets in their bags as not all bikes can be kept out of the rain.

**LOST:**

**Assembly Today**

Assembly today was longer than usual due to the fact that we didn’t have one last week. A highlight was a visit from Lottie the Lollypop Lady who shared some road safety facts with us. We also celebrated National Simultaneous Storytime by reading the story “I got this Hat” written by Jol and Kate Temple and Illustrated by Jon Foye. The children in 1H helped illustrate the story with hats they had made and Maestra translated the story into Spanish as we read it in English.

The Year 5 students and their Prep buddies joined together to sing a song and Prep P acted out “The Zoo” story which they had been reading to help them with their letter writing skills. Following learning reports and jokes the Year ¾ students sang a song led by Mr Jobe to finish off the assembly.

Our Year 6 students do an amazing job leading the assembly each week, as do the technical support students who set up the microphones and projector.

---

On Tuesday at lunch times the lovely Audrey, Margie and Anne take us for knitting. They have taught us the normal knitting stitch and the pearl stitch. We are knitting head bands and scarfs. Next term we will be continuing knitting club and would love it if some boys wanted to join. Ashleigh, Ebony, Shai, Gemma and Baya.
**SCHOOL MOWING**
If you would like to help out at school but you are not available in school hours maybe helping with school mowing would be just the thing for you. We mow the front of the school and the nature strip in Edgar Street (in front of the veggie garden). School has a mower if that makes it easier and you can choose a month that suits you and mow any day within that month (some months the lawns might need to be mowed twice within the month depending on seasonal growth). If you can help please let the office know.

**BOOK CLUB**
Thank you for your continued support of Book Club and thank you Janelle for all of the work you do for us with Book Club We would just like to remind you that all orders should be done online. We realise that not everyone has credit card facilities so we will process the orders in that case. **Please check your child’s order before they lodge it.** We are finding some orders have incorrect cash and others are hard to decipher what the actual order is.

Do you want to make a difference?  
Anthony Hill came to Inverloch school June 2015 representing, Boomerang Bags, which are now successfully transitioning community behaviours as a community driven initiative tackling plastic pollution. This means that at Foodworks checkout, shoppers are offered a ‘Borrow and Bring Back’ handcrafted bag instead of a single-use plastic bags. In Australia Community Boomerang Bags have set up in Sprout Eden, Tatura Beach, Bega and Mallacoota. Mallacoota had a 70-80% reduction in single use plastic bags in only two months last summer - saving approximately 100,000 bags! Can we do this here in Inverloch?! A request is being made for recycled and donated materials of cotton or upholstery so that handcrafted re-usable 'Boomerang Bags' can be made. IF you are interested and would like to get involved please contact Cynthia on 0420 399 683 for more info see  
[http://boomerangbags.org](http://boomerangbags.org)

---

**# Clean Up Australia** offers resources to small businesses to help guide them to become plastic bag free  

**# Plastic Bag Free Victoria** has a sign the petition campaign aiming to work together with communities to call the Government to ‘Stop Bagging Victoria’:  
[http://www.plasticbagfreevictoria.org/petition](http://www.plasticbagfreevictoria.org/petition)

**# Keep your soft plastics; empty bread bags, biscuit packets, frozen food bags, rice and pasta bags, confectionary packets, plastic shopping bags and old reusable bags out of landfill by bringing them in to the nearest REDcycle collection bin in Pakenham.** Your empty packaging will be recycled into useful new products such as sturdy outdoor furniture and signage or a new school bench!
